7th Grade Social Studies **Global Issues** Task #3

Inquiry Standard

SS.7.05 - With guided practice, identify evidence that draws information from multiple perspectives and sources to support claims, noting evidentiary limitations. SS.7.06 - With guided practice, develop claims and counterclaims while pointing out the strengths and limitations of both.

D

Developing Claims Activity As a human being, one must make claims and understand how to support, defend, and recognize limitations to one's own point of view. 1. Choose a current event that includes your chosen topic.
2. Explain the current event using text evidence to explain your position on the topic.
Developing Claims and Plans 3. Create a plan on how to solve your problem. A. Explain your plan in detail.
B. Provide your best evidence to why your plan would improve the global issue.
C. Provide the most likely challenges and/or setbacks you are most likely going to be facing.
